**Subject:** Re: Bit Coin Depot at Cub

Good morning, Robert, and a pleasure to make your acquaintance.

While this is unfortunate news for CoinCloud, we want to assure that your customer base has access to Bitcoin at your locations. Bitcoin Depot has remained financially healthy and we are poised to go public later this year. We've learned over recent years that having a Bitcoin ATM will increase your customer foot traffic and retain new customers for additional purchases in your aisles. We'd like to make sure this type of program is not disrupted with CoinCloud's departure.

May we schedule a call for this week or early next week to discuss how we may assist Cub Foods? Also, if you are able to provide a store list in advance, we would like to run analysis to see which sites would be viable for a successful program with us.

I look forward to the opportunity to work with you in the near future.

Sincerely,

Mark Smith
